Petitioner's Motion For An Extension Of Time

The Petitioner Rahmik Beckett, Pro se-litigant, hereby moves this court for an extension of time to file his reply brief to Respondents' response to Petition for A writ of Habeas Corpus, and in support thereof, states as follows:

1. On June 10, 2019, Petitioner filed the instant Petition for A writ of Habeas Corpus Relief. (Doc. 1)
2. On or About September 17, 2019, Respondents filed their response to the aforesaid filings. (Doc. 10).
3. On November 12, 2019, After requesting and being granted an extension of time, it was ordered that Petitioner may file his reply brief on or before, December 16, 2019. (Doc. 14).

4. The Petitioner is presently in communication and in the early development stages in retaining private counsel to assist him in the current proceedings. However, talks between the petitioner and counsel are at a halt, due to counsel's other commitments and obligations.

5. Importantly, Petitioner has been informed that counsel's assistance/representation is available, but not until after the next year has entered, and, therefore, all other commitments has been resolve.

6. The Petitioner respectfully submits and requests for an extension of time to retain private counsel, and thereafter, file his reply brief to respondents' answer to the instant petition for Habeas relief, until February 24, 2020, an extension of forty-five (45) business calendar working days.

Wherefore; for each of the foregoing reasons, it is requested this Court grant an extension of forty-five (45) business calendar working days, and/or until February 24, 2020, to file Petitioner's reply brief.
